Villebois-Lavalette (Charente)

August 17, 1921

Monsieur le Prof. Emile Cartailhac
5 rue de la Chaîne, Toulouse

My dear Professor Cartailhac:

As first director of the American School in France for Prehistoric Studies, I have been superintending "des fouilles" at La Quina since July 2, with the exception of 8 days in the Dordogne. We are planning to leave Villebois-Lavalette for Toulouse about ~~July~~ September 2 arriving in Toulouse some 5 days later. It is our purpose to hire an auto with chauffeur in order to visit the principal paleolithic stations of the region as we did in 1912. There will be four in our party. We very sincerely hope that it will be possible for you to join our party as you did in 1912.

Will you be so kind as to let me know which would be the best hotel to stop at in Toulouse; also whether there is a Spanish Consul in Toulouse, as we may decide to go from Toulouse to Spain and would need to have our passports vised.

With much pleasure in anticipation of seeing you soon, I am

Very sincerely yours
George Grant MacCurdy
