OFFICE OF
THE PRESIDENT

July 31st

My dear Prof. Cartailhac.
I write to say that we are
enjoying a wonderful
tour in Dordogne. with l'
Abbé Breuil, and M.
Peyrony, at times. The Jun-
ior Mrs Osborn say, is a mine
of knowledge and a de-
lightful companion.

Mr Lauzerte. Font de Gaume
& Combarelles (!!). and today
La Mouthe. Besides many
stations.
Again, it is impossible
for me to express my ap-
preciation of my journey
with you. and of your
kindness and hospitality.
I shall always remember
it.
Mrs Osborn is well and is
accompanying

us to all the courses.
Even with the Combarelles
She sends her very warm
Regards.
I hope you will keep in
mind that our great
Museum in New York
which is visited by
millions of people.
is thus the most influen-
tial in the United States

needs a fine service. Appreciating
this wonderful human develop-
ment in Science.
Without us Your
and that Yr.
highly trained
and educated Consul and Co.
Assistance. Will Your Excellency
always, most
cordially yours.
