

Clifton, Bristol

Sep 4, 1891

Dear M. Cartailhac

I am sorry that I was unable to be in London to hear your paper on the antiquities of the Balearic Islands, which appears to have been very interesting. I trust to see it in print - I retain a lively remembrance

9276611/2

of your kindness to
me when in Paris
two years ago -

With compliments

I am yours sincerely

John Beddoe
