Hotel de la Gare
Les Eyzies

Dear Dr Cartailhac

I sent you a telegram this morning in answer to yr. kind letter which was of immense service to us. On reading yr. letter again I see that you tell us to come to Montfegeau on the 30th or 31st of this month. But as there are only 30 days in September it occurs to me that you may have meant us to come on the 29th. If so will you send me a telegram, I shall be at Perigueux, Hotel

de Commerce at least until
Wednesday morning if
we go thence to Teyjat
I suppose we shall return
there on Thursday 28th
unless we can go direct
from Teyjat to Toulouse.
We shall not have time
for the Bordeaux expedition
you suggest, so it would
suit us equally well
to come to Montfleuran
on the 29th if it is
more convenient to you.
I forget whether I told
you in my previous
letter that my brother
in law & I both have
our wives with us.
I hope you won't think
it quite an invasion,

ARCHIVES DE PUJOL BEGOUEN

we shall come prepared
to stay a couple of nights
at the hotel you mention
near the station. If you
think it would be best
for me to order a motor for a day
from Toulouse let me
know & also a reasonable
firm to order from.
M. Peyrony is here &
with his assistance
we are seeing everything
splendidly.
With best regards &
again thanking you
Yours very truly
Cyhelugmann
