My dear Sir

I duly received your
esteemed letter of the 27th
February, and am much
obliged to you for your promise
to obtain for me if possible
some more information

Concerning the Beni Raten.

I am afraid that it
is impossible for me to promise
you anything for the Matériaux
as I have two books in the
press, besides which having
been elected Member of
Parliament for the Capital
of my County, my time is

very much occupied.

As regards your wish
to be put in communication
with some one here who would
keep you advised of what is
going on, I am happy to say
that W. Rüdler of the
Museum

Termyr Str
and Ass. Sec. of the Ethnological

Society will be happy to assist you in the manner indicated, and from what I know of him I doubt not he will do so very well.

Thanking you for your kind expressions towards me, & assuring you of the pleasure I should feel at any time to be of use to you, I remain, dear Sir,
Yours very sincerely,
Wm. Lubbock
