Dear Sir

Mr. Davies Gilbert
has sent me your letter with
reference to the Ancient tin mines
of Cornwall.

I think the best information
would be found in the works
of the late W. J. Henwood F.R.S.
both in his published treatise

and in his papers contributed
to the transaction of the Royal
Institution of Cornwall especially
his presidential address - but
these papers are some years old
and I do not know of any
recent discussion with reference
to the subject.

Mr. J. Hollis F.R.S. of Baringhall
Chamber Leadenhall Street on ^{Mr. Howans}
F.R. of Falmouth might be able

to give you some further information
but as far as I know recent
materials are scarce.

Yours truly,
Wm. Mitchell Whitely

Major Poore.

Dear Sir

I send you the enclosed -

If I can make any further
enquiries for you on the subject
I shall be most happy to do so

Believe me to be

Truly yours

B. Poore.
