

OFFICE OF

U. S. Geological and Geographical Survey of the Territories.

Washington D.C. Oct. 16th 1877

My dear Sir,

I had the pleasure just prior to my departure for my season's work in the Rocky Mountains, to transmit your name to the Council of the Academy of Natural Sciences of Philadelphia, for election as Corresponding Member, the highest honor the Society can confer. I am informed that your election was unanimous.

I have forwarded to you, through the Smithsonian Institution, some books which I hope you will receive in due time.

With Respect
Your obedient servant
J. V. Hayden
