M. Emile Cartailhac
 Toulouse

Dear Sir

I beg to thank you for your kindness in sending me the drawing of the flat as would found at Molitg. I presume it is the same one which M. Salomon Reinach very kindly informed me of, and which I have noted in my paper, which I read before the Society of Antiquaries of Scotland, a copy of which paper I am sending to you with this post.

Yours faithfully

Graham Ballantyne

Moule de bache Cu -

ABC. 120. 3(a)
