

W. O. OLDMAN,

Ethnographical Specimens.

77, BRIXTON HILL,

LONDON, S. W.

12th Jan^y 1909.

Dear Sir.

I much regret further delay in issuing the Ethnographical Catalogue. I have had to cancel the order for the Colotype prints owing to the excessive time taken to supply same.

I am now trying to find a firm who will undertake to do them to time. The Catalogues which are so much behind will contain mostly recent acquisitions & they will be sent out at the earliest possible moment.

Hoping that when I have ^{found} a firm who will supply me in reasonable time with the plates, I shall be able to get the Catalogues out at uniform dates.

I am, Sir,

Yours obediently,

W. O. Oldman.
