THE AMERICAN MUSEUM OF NATURAL HISTORY
NEW YORK

10 January, 1914

My dear Professor Cartailhac:

I am invited by the University of California to give a course of lectures on the men of the Old Stone Age, and I desire to give some account of the development of Palaeolithic archaeology in France. I beg you to send me one of your photographs to be used in this connection.*

I enclose a postal money order for five francs and write to ask if you will not kindly have reproduced for me a photograph of Aurignac, also of the entrance to the cavern at Niaux. I am also desirous of securing a photograph of the type locality of Solutré and of St. Acheul if you possess them. L'Abbe *Breuil* has kindly sent me that of Chelles and I have the Mas d'Azil, La Madeleine, Le Moustier already in my series.

Yours very sincerely,

Henry Fairfield Osborn

Professor Emile Cartailhac.
