Dear Monsieur Cartailhac,

The specimens have arrived and in due course you will receive an official letter of thanks from the School. Meanwhile, I write a few lines to tell you how grateful I am for your kindness.

I hope shortly to be sending you specimens of a few prehistoric things I got last winter in the Sudan, I shall be very grateful for your opinion on these, and some at least of them you can keep if you consider it worth while.

With all best regards, in which my wife joins,

Yours very sincerely,

Oselysman
